

HONORABLE JUDGE BEISTINE,
 I'm writting you today SIR to hap-
 efully give you some insight into who
 I believe I Am i who, or Father
 where I would like to be Today -
 Tomorrow - Forever ...

Judge Beistine I
 haven't had much in my life other than
 my will to survive, As you know
 By now SIR I went through a
 lifetime of horrors before age 10.
 I saw a Grandmother who raised
 me murdered - never met my father
 And lost a mother through her own
 actions (vengeance) regarding the
 man who shot my grandmother. As
 you can see Judge Beistine my w-
 hole world collapsed i cried in all
 one, I was alone and lost in a so-
 ngle (Los Angeles) without family
 love and or guidance! I lost more
 before age 10 than most people lose or
 don't lose SIR in their entire life!
 Between you and I Judge Beistine

my life never truly recovered, I
 saw my mother sell her self to
 support me and to feed us - I saw
 drug abuse at such levels sir that
 one would think I'm exaggerating
 Judge Beistline, though I'm being
 totally open and truthful! I could
 not depend on anyone for nothing
 just my mother & myself, lost together
 Judge Beistline somehow I maintain-
 ed in my younger years somewhat
 I guess - truly now that I put some
 thought into the process sir all I did
 was (white knuckle) it for my school
 years and ran at the first opportunity
 to get away from my dreadful life,
 without money - education - support!
 Any understanding of the real world!
 Judge Beistline I tried to correct the
 problem as I knew it at that point
 in my life, I knew in order to be-
 come a viable tax paying citizen that
 I would need both a career! educa-
 tion and shelter, future job corp!!
 Sir it was the best time of my life

It taught me so much and I learned to become an independent person who could stand on my own two feet! For a short time period Sir 84-88 my life had never been better, I truly overachieved Judge Bristline ① I got my G.E.D. from Skagit Valley Community College ② I also got my Drivers License, completed a Defensive Drivers course - which enabled me to obtain my C.D.L. License also, I completed a 2 year course in Plastering & Cement Masonry in 9 months; even taught the course in my instructors absence! Upon getting my certificate of completion I went to work for a couple years before moving on to greater pursuits in my young life. I was a District Manager for Burger Kings for several years! then the bottom fell out! I was introduced to cocaine Sir and my life has been one big nightmare after another! Don't get me wrong Judge Bristline It's not for my lack of trying I've completed the longest &

 CENTLY I'VE DISCOVERED THAT MY DRUG O-
 SAGE COUPLED WITH MY DIABETIC MEDIC-
 ATION CAN CAUSE EXTREME AGGRESSIVE BE-
 HAVIOR, WHICH EXPLAINS A GREAT DEAL TO ME.
 AND TO COMPOUND MATTERS SIR MAKING HOW
 BLOOD SUGAR CAUSES ERATIC BEHAVIOR & POOR
 DECISION MAKING TO SAY THE LEAST.

I'VE ASKED FOR MENTAL EXAM? ALSO

STRAIGHT SCREWED.

⑥ FROM DAY ONE MY INTENTIONS HAVE
BEEN TO LESSEN THE PAIN & SUFFERING
OF MY VICTIMS & FAMILY LIKE BY PLEADING
TO THIS A.S.A.P. AND MAKING IT GO AWAY
SOONER, THUS THEY ALL COULD START THE
HEALING PROCESS.

⑦ IN THE PROCESS OF GETTING MYSELF HELP
MENTALLY - DO FURTHER WORK UPON MY
DRUG DEPENDENCY WITHIN THE SYSTEM.
